

CARVED FOR THE CHOSEN FEW

It all began with a dream, an outlandish fantasy to create an unimagined destination.
An address so unique and potent, that every individual's story that blooms on this land, becomes
a royal tale... majestic and exceptional.

We nurtured the passion to craft a world that not only elevates, but also transcends every
definition of luxury living. We brought in craftsmen and connoisseurs who carefully nourished and
moulded this vision into a breathing, living form.

That dream we saw is now real.

Welcome to Tulip Monsella.

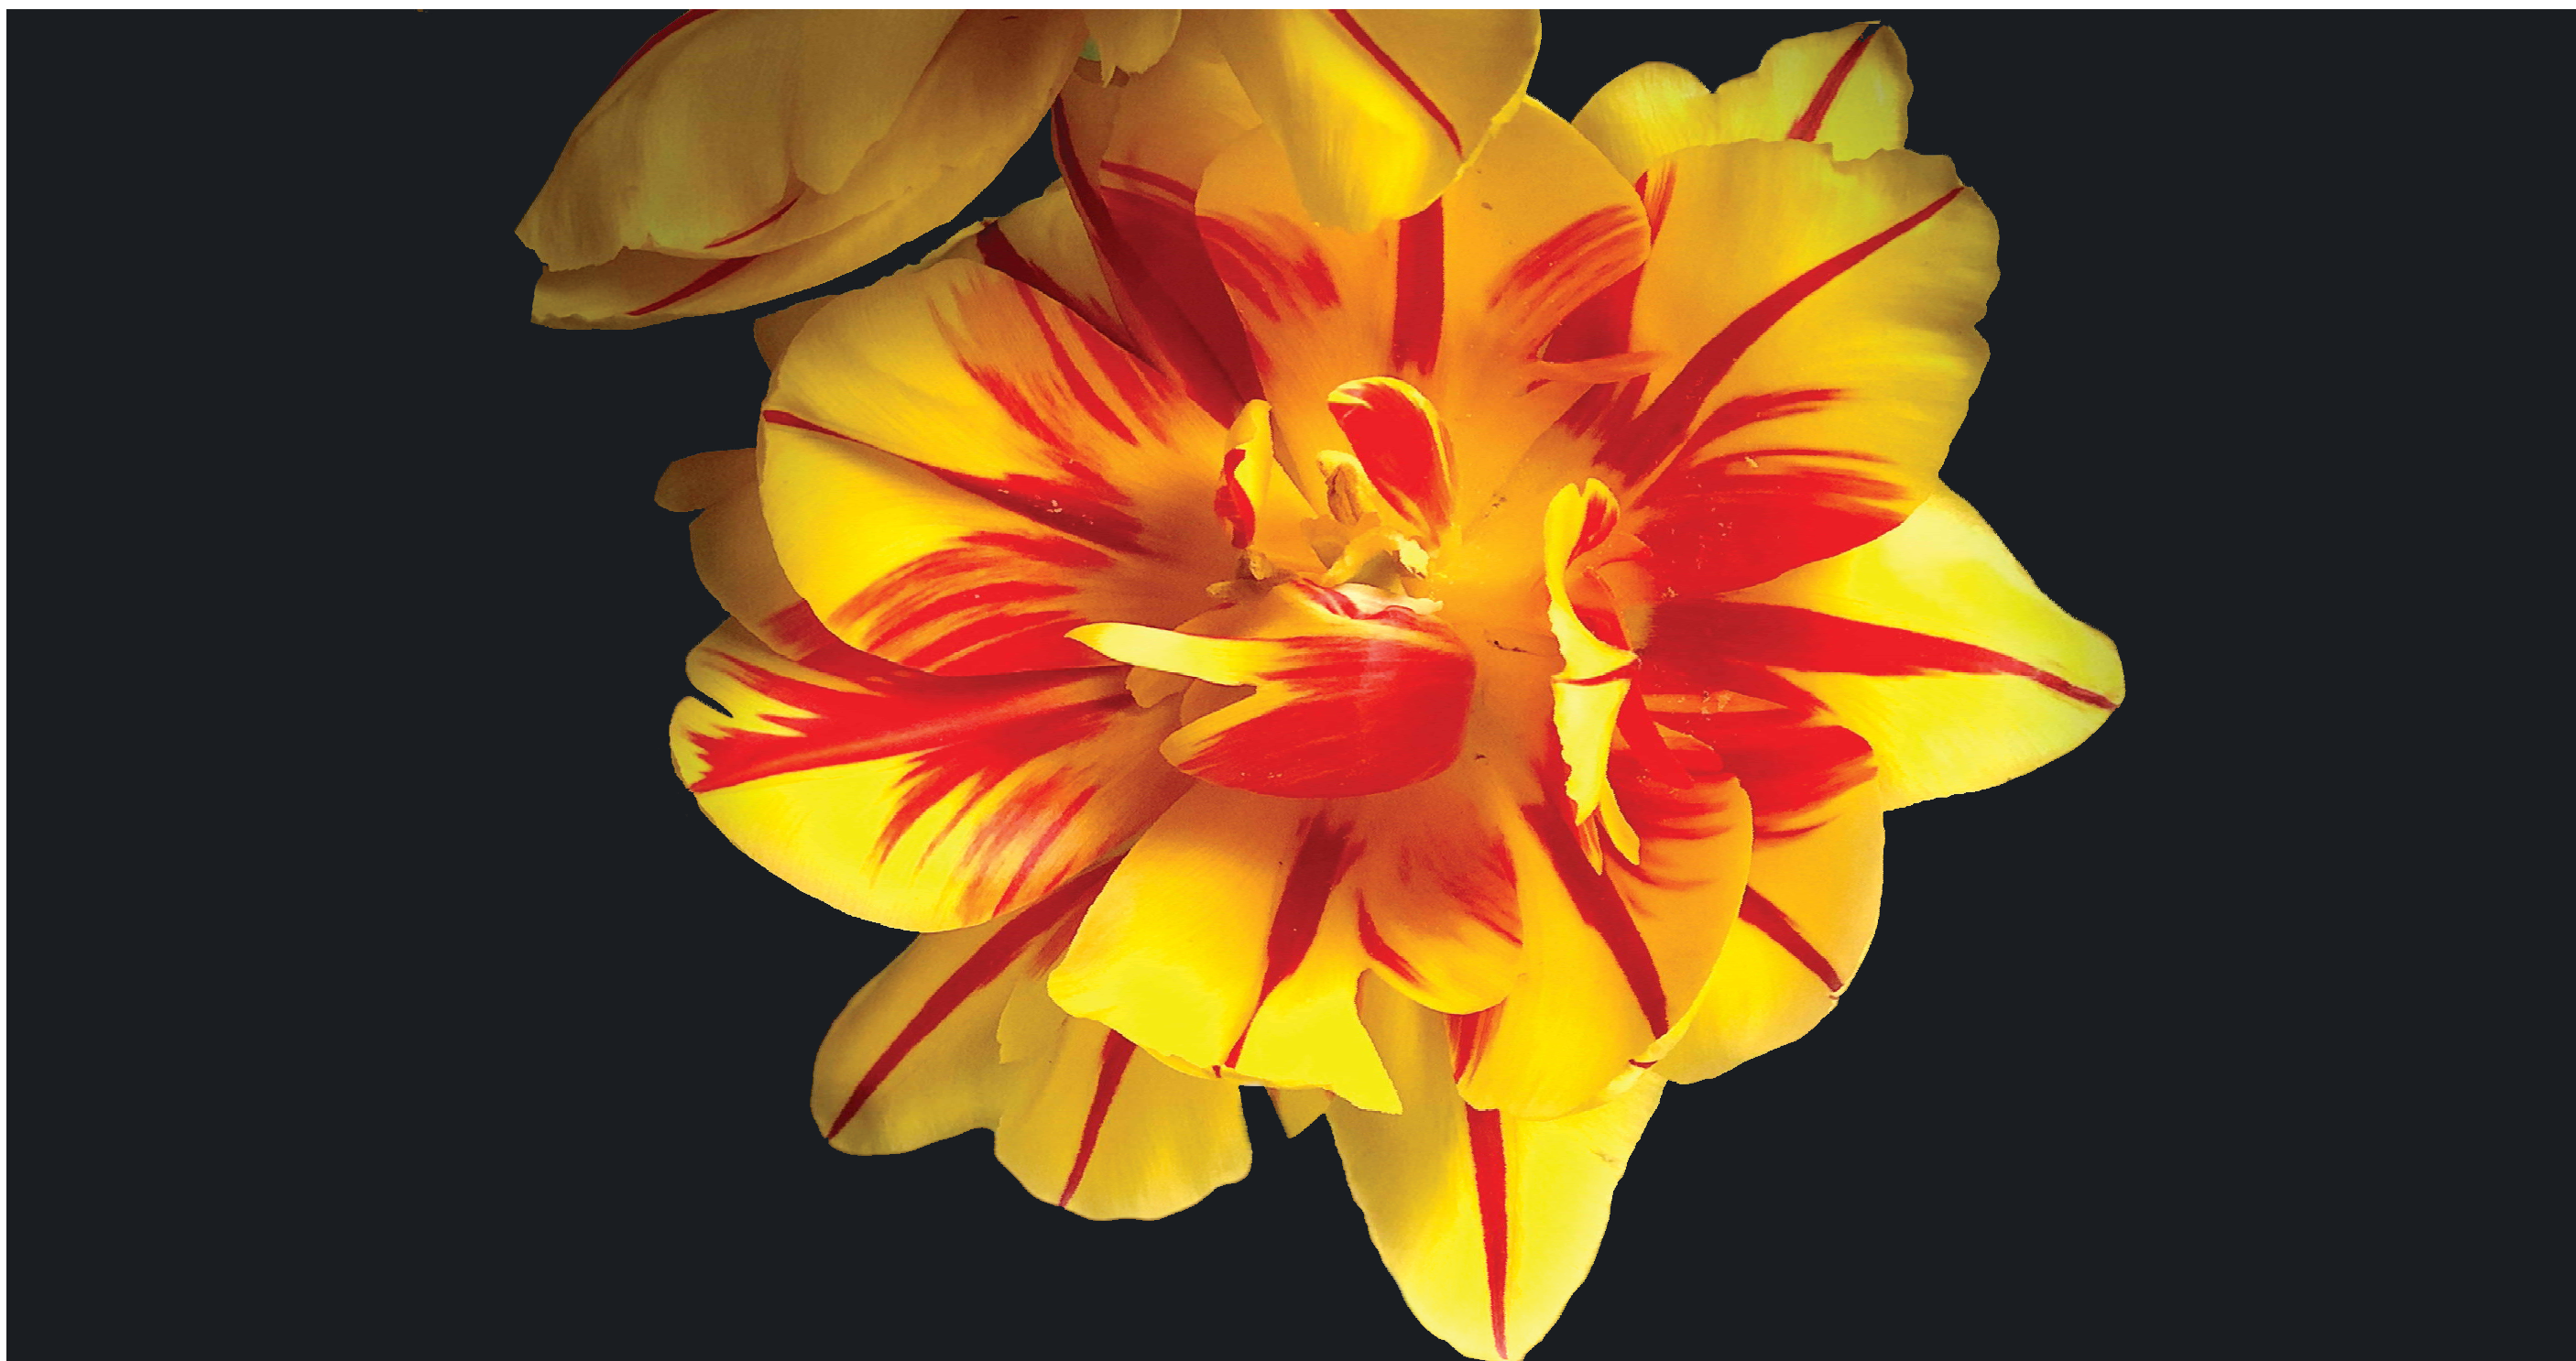

THE PLATINUM COLLECTION
BY TULIP GROUP

Driven by timeless perfection and pure resplendence,
The Platinum Collection is a set of aspirational retreats in the lap of untapped luxury.
Built for those who strive for the finest things in life, these are homes
that elevate you to the art of regal living. We bring to you Tulip's crème de la crème.

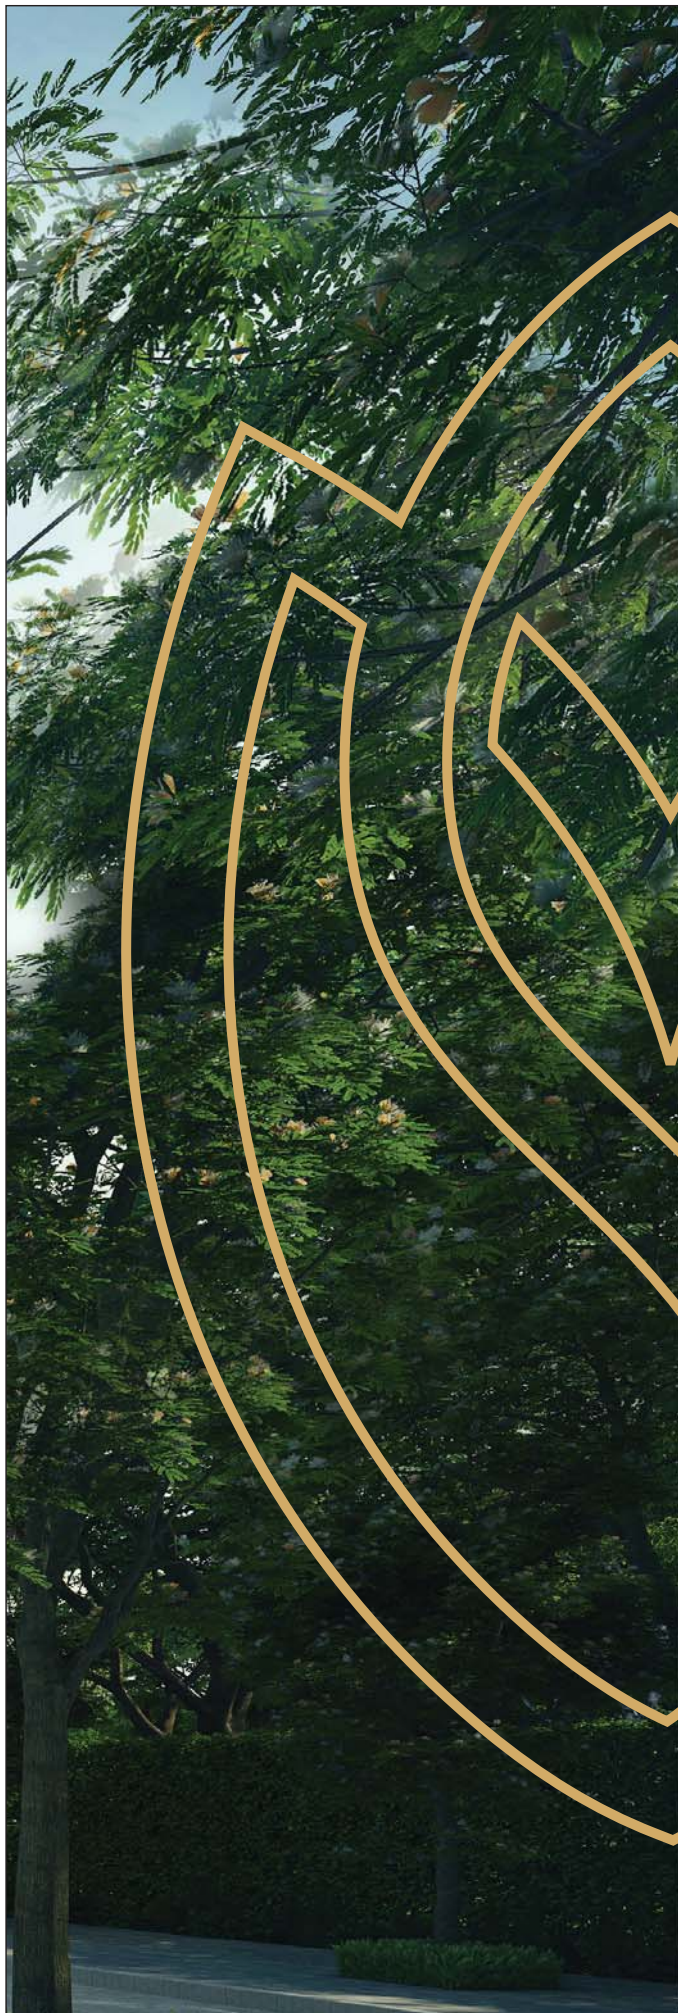

With its bright canary-yellow petals feathered with red flames, the Monsella blooms with all its grandeur... revealing the most striking view that one can witness. Unraveling layers of gentle petals that gleam with bright colors, Monsellas are coveted by all, but acquired by just a few.

They are nature's hand-crafted masterpieces that blossom in the gardens of the fortunate.

Much like the flower, the Tulip Monsella project is breathtakingly inimitable.

It is a place that magical tales are made of.
